# Add a Donate Life badge to your Twitter or Facebook Profile

It's easy to add a Donate Life badge to your profile photo on Facebook and/or Twitter!

## Twitter

**Step 1:** Go to the Donate Life Twibbon campaign page at http://twb.ly/MsatBg.

**Step 2:** Click on the green button that says "Add to Twitter." This will open a pop-up window.

**Step 3:** If needed, log in to Twitter and authorize the Twibbon app to access your Twitter account.

**Step 3:** Now you can resize and position the Donate Life badge within your current profile picture. (Click and drag the little blue squares to resize.)

**Step 4:** When you're satisfied, click "Add the Twibbon to Twitter," which will import the new image into Twitter and set it as your new profile pic. Voila!

## Facebook

**Step 1:** Go to the Donate Life Twibbon campaign page at http://twb.ly/MsatBg.

**Step 2:** Click on the green button that says "Add to Facebook." This will open a pop-up window.

**Step 3:** If needed, log in to Facebook and authorize the Twibbon app to access your Facebook account.

**Step 3:** Now you can resize and position the Donate Life badge within your current profile picture. (Click and drag the little blue squares to resize.)

**Step 4:** When you're satisfied, click "Add the Twibbon to Facebook," which will import the new image into your Facebook account.

**Step 5:** Now click "Set as your Facebook profile picture." This will take you to Facebook where you need to click "Done Cropping." Voila!

Don't forget you can also add the official National Donate Life Month cover photos to your profile! Just scroll down to the bottom of http://twb.ly/MsatBg and follow similar steps.
