**Important Update- Scavenger Hunt**

As the Scavenger Hunt event is nearing and uncertainty regarding COVID is growing, we have found that the overwhelming majority of participants are registering for virtual participation. With this in mind, as well as careful consideration for the safety of all involved, we have made the decision to transition the event to a virtual event for all participants. We want engagement with the event to be valuable for all participants and we are confident that the virtual platform will provide a fun and meaningful experience. That means no matter your location- you can join us for this fun, interactive family event! We hope you'll join us! Registration closes at 6:00pm on Wednesday, August 25th.

### Donation 101: Organ Donation Terms We Don't Use and Why

We're breaking down organ donation terms we don't use and why, while also giving you the correct terms to use instead! Words are powerful. How certain words or terms are used can have a significant impact, especially when it comes to organ, eye and tissue donation. Language not only plays an important role in perpetuating or debunking common myths and misconceptions about organ, eye and tissue donation, it can also serve as a way to pay respect to those who have given the gift of life and their loved ones. ### Donate Life Colorado Night at Levitt Pavilion

Looking for a fun opportunity to support organ, eye and tissue donation this summer? Join us and enjoy some great music at the Moenia concert at Levitt Pavilion on Sunday, August 22nd. Advocates are needed to staff a DDS before the concert, answer questions from the public and hand out some cool giveaways! Once you are done, you are welcome to stay for the music, the view and the food trucks. This will be an outdoor event (we will have a tent to keep you out of the sun) from 3:30pm-7:00pm.
