

The Donor Alliance Foundation's mission is to build partnerships and break down barriers to influence change that will positively affect the donation and transplant community.

Grantmaking Program

Created in December 1993 as a nonprofit 501c3 and re-established in August 2017, it operates exclusively for charitable, scientific and educational purposes as a supporting organization to Donor Alliance.

The Donor Alliance Foundation funds education, family assistance and research efforts of nonprofit organizations working in the field of organ and tissue donation and transplantation in Colorado and Wyoming.

Grantmaking Areas

Education

- › Fund education on donation and transplantation through hospitals, governmental agencies and community health-serving organizations
- › Fund scholarships for students studying in the areas of donation and transplantation (i.e., nursing, medical, mortuary science and master-level social work students)

Family Assistance

- › Provide funding for grief assistance and compassion support for donor families
- › Provide support for living donors, people who are waiting for a transplant or who are post-transplant and their families

Research

- › Conduct clinical and social research to further the donation and transplantation field

Grantmaking Criteria

Projects should:

- › Align with The Donor Alliance Foundation's mission to build partnerships, break down barriers and positively affect the donation and transplant community
- › Be located in Colorado or Wyoming
- › Be submitted from nonprofit organizations (individuals are not qualified to apply)
- › Demonstrate positive impact and measurable outcomes. Make a difference in the community, not just for the organizations applying

The Foundation will award up to \$175,000 during the first grant cycle from September 1, 2018 - August 31, 2019.
