

This year's 5th Annual Advocate appreciation event "All Things Exceptional", was a great success with 101 guests in attendance. We designed the event to honor and celebrate Advocates accomplishments, while providing Advocates a time to interact, reflect, recognize one another and most of all, have fun.

We were privileged to host the event off-site again this year at a wonderful venue with live music by the local 80's cover band, The Raygunomics. Guests were treated to a decorative cake and delicious buffet. We had a surprise prize drawing conducted by our special guest, Guy Vroom, Donor Alliance's *Save Time, Renew Online* character.
